MISSION STATEMENT

All students will receive an education that will help them to develop their potential as community members and life-long learners in a changing world.

Playground Project

We are continuing to raise funds for the Playground Project. We hope to begin the playground upgrades in the spring of 2015. Tickets are on sale at the school for a propane BBQ with all proceeds going to the playground project. We hope to have the new structure in place by September 2015!

Grade 8 Quebec Trip

Students going on the Quebec trip will be selling tickets on a gift card wreath. Tickets will be \$2.00 each or 3 for \$5.00. Money raised will support the Grade 8 Quebec trip.

Breakfast/Auction/BBQ Tickets

Wow, what a great fundraiser our Breakfast / Auction was. Final Tally for this event was \$3200.00 Thank you to all that attended to support our playground project. Winner of the Movie Tickets was Allison Gillet.

Athletic Department Raffle

Tickets are now on sale for a chance to win an Xbox One at the Tracy Store, Citizen's Credit Union and the Sunbury Diner. All proceeds support our Athletic Department.

I said “We crashed on the rock”. Ethan said “I’m hungry”. Logan said “I’m hot”. I said “of course you’re hot it’s a very hot summer day!” Jakob said “Stop fighting Noah and Logan, we’re looking at Hawaii”. Well we can’t get there.

We wished first the other ship would not find the X. They went the wrong way. They would need a map.

Next we wished we found the magic map. Then our bird Polly went for a couple of hours. Then Polly had fantastic news, he found the magic map. “Arrrrr” we said.

We see the other ship on the magic map. Oh no we drive right over the rock as fast as we could and landed on Hawaii.

Then we wished we found a nice cheetah. We found one; he was a very nice cheetah. We rode it all the way to the treasure chest. It was locked the cheetah opened it.

Finally we opened the treasure and thanked the magic map, Polly and the nice cheetah for helping

us. We were just about to go until Emily's crew popped out of the bushes so we shared the gold and we both went back to Pirate Island. But don't tell her crew that I got more gold than her crew. The End.

Shooting Star by Mataya

Have you seen a shooting star? My sister, Paige, and I were at my new house to look for a constellation on October 2, 2014.

First I wished that my family would be together. I also want to go to Calgary to visit. I wish that my Dad could come here.

Next I wished for a happy life like when Joy comes and like being loved by family.

Then I wished to be an acrobat and be good at cart wheels. Also I want to be good at what I do.

Finally seeing a shooting star was great. Wishing that my family would be together and have a happy life and to be an acrobatic were great wishes to wish for. I hope I see another shooting star again.

Sailing Ahoy by Emily

"Arr me hearty pull the sail". I'm a pirate sailing the seven seas. It's a beautiful summer day to find buried treasure. So I showed my maties the villains ship and said "Do you see that ship?" That is the villains ship we have to get the buried treasure before they do." Are you ready to go on an adventure in the Pacific Ocean? When we were sailing I couldn't believe it, **I forgot my map!!** So I went to the underwater sea shop and got the exact same map as the one I have. So I used the map to find the X, but do you know who we ran into?... Noah and his crew! So I sailed off. If I want to get the treasure before Noah does I have to become the most beautiful mermaid in the world so I can sneak up on the treasure and steal it. So I grew my pink and purple tail with my beautiful gold hair and sea horse earrings with a purple crown on top. Finally it was a happy ending. Noah and I became best pals and shared the treasure. We became the best pirates in the world. The End.
