Dear Parents/Guardians of Students at Bath Middle School,

As stated in my October 29th, 2014 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Bath Middle School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the first public meeting in the consultation process on the sustainability of Bath Middle School.

Date: Thursday, December 11, 2014
Time: 7:00 PM
Location: Bath Middle School
118 School Street
Bath, NB

At this meeting, district staff will describe the process and outline facts about Bath Middle School, as guided by Policy 409. A second public meeting will be held on **Thursday, February 12, 2015**, where parents and stakeholders may present ideas on the sustainability of the school. Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will join us.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
