

ANGLOPHONE WEST SCHOOL DISTRICT

OFFICE OF THE SUPERINTENDENT

1135 Prospect Street • Fredericton, New Brunswick E3B 3B9 • www.asd-w.nbed.nb.ca

April 7, 2015

Dear Parents/Guardians of Students at Bath Elementary and Middle Schools,

As stated in my previous letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favour of engaging a sustainability study of both the Bath Elementary School and the Bath Middle School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of these two schools. This meeting replaces the previously planned meeting for March 26, 2015, which was postponed at the request of the Parent School Support Committees.

Date: Thursday, April 9, 2015
Time: 6:30 PM
Location: Bath Middle School
118 School Street
Bath, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda for the meeting will be available that evening and also be posted to the Sustainability Study website.

Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will join us.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
