November 17, 2014

Dear Parents/Guardians of Students at Coles Island School,

As stated in my October 29<sup>th</sup>, 2014 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favour of engaging a sustainability study of Coles Island School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the first public meeting in the consultation process on the sustainability of Coles Island School.

Date: Thursday, November 20, 2014  
Time: 7:00 PM  
Location: Coles Island School  
11390 Route 10  
Coles Island, NB

At this meeting, district staff will describe the process and outline facts about Coles Island School, as guided by Policy 409. A second public meeting will be held on Thursday, January 15, 2015, where parents and stakeholders may present ideas on the sustainability of the school. Other opportunities to provide feedback are also available, with details on our website at [www.asd-w.nbed.nb.ca](http://www.asd-w.nbed.nb.ca), following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will join us.

Sincerely,

David McTimoney  
Superintendent  
Anglophone West School District
