Dear Parents/Guardians of Students at Coles Island School,

As stated in my October 29th, 2014 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favour of engaging a sustainability study of Coles Island School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of Coles Island School.

Date: Thursday, January 15, 2015
Time: 6:30 PM
Location: Coles Island School
11390 Route 10
Coles Island, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda for the meeting will be available on Tuesday, January 13, 2015, and be posted to the Sustainability Study website. Alternatively, staff from Coles Island School can make the agenda available to you.

Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will join us.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
