What my school means
to me.

My school makes me happy.

I like that my school is
in my community.

I see my friends.

I learn a lot. I love

our adventures swimming,

Kings Landing, St. Martins

and Science Lab. We love

to learn new things like

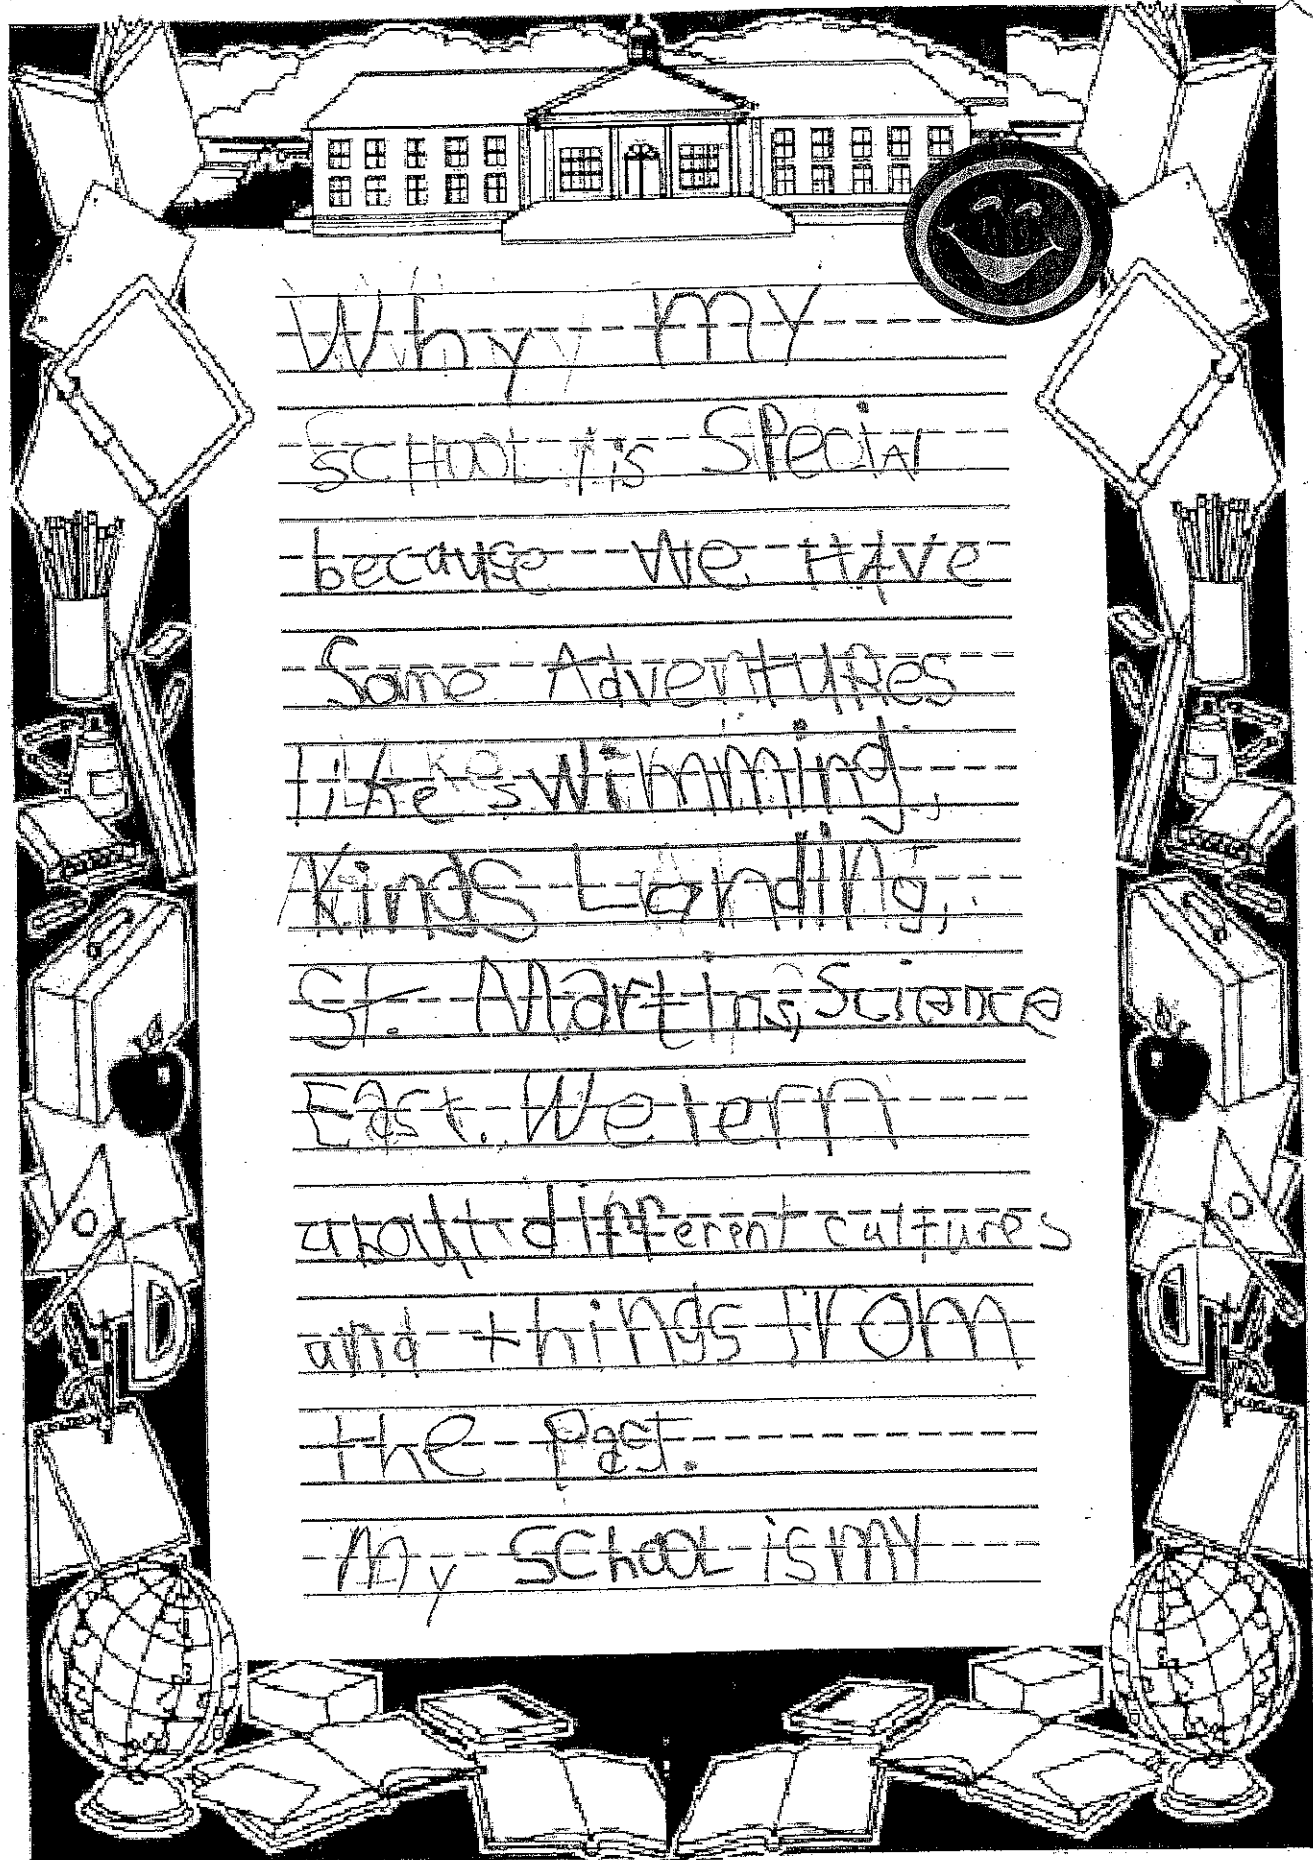

baking, disperse Geo

catching and more.

Why my
SCHOOL IS SPECIAL
because we have
Some Adventures
like swimming,
Kinds Learning,
St. Martins Science
East. We learn
about different cultures
and things from
the past.
My SCHOOL IS MY

community. I feel
safe, at home, cared
for. I see my friends.
Some special things
we have done are
pick apples and
then baked them.
We also did geo
graphy. I am proud
of our school.
