Dear Parents/Guardians of Students at Forest Hill Elementary School:

As stated in my previous letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study on Forest Hill Elementary School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of Forest Hill Elementary School.

Date: Thursday, November 15, 2018
Time: 6:30 PM
Location: Forest Hill Elementary School
548 Forest Hill Road
Fredericton, NB, E3B 4K6

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda will be available on Thursday, November 8, 2018 and will be posted to the Sustainability Study website. Alternatively, staff from Forest Hill Elementary School can make the agenda available to you.

Other opportunities to provide feedback are also available, with details on our website following the sustainability study links for Forest Hill Elementary School. Relevant documentation is also posted on this site.

We hope you will join us at the second meeting!

Sincerely,

Catherine Blaney
Acting Superintendent
Anglophone West School District
