Dear Parents/Guardians of Students at Florenceville Elementary School:

As stated in my September 20<sup>th</sup>, 2019 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Florenceville Elementary School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the first public meeting in the consultation process on the sustainability of Florenceville Elementary School:

**Date:** Saturday, October 26, 2019  
**Time:** 1:00 PM  
**Location:** Florenceville Elementary School  
8470 Main Street  
Florenceville-Bristol

Florenceville Middle School, Bristol Elementary School and Bath Community School are also being studied under the parameters of Provincial Policy 409. The Florenceville Middle School Public Meeting #1 will also take place on Saturday, October 26, 2019. The time of this meeting will be 10:00AM and it will occur at Florenceville Middle School. The Bristol and Bath Public Meetings (#1) will take place on Saturday, November 30, 2019, at their respective schools.

At Public Meeting #1, district staff will describe the process and outline facts about Florenceville Elementary School, as guided by Policy 409. A second public meeting will be held on Saturday, January 18, 2020, where parents and stakeholders may present ideas on the sustainability of the schools. Other opportunities to provide feedback are also available, with details on our website at [www.asd-w.nbed.nb.ca](http://www.asd-w.nbed.nb.ca), following the sustainability study links. Relevant documentation is also posted to this site throughout the study.

We hope you will join us.

Sincerely,

David McTimoney  
Superintendent  
Anglophone West School District
