Dear Parents/Guardians of Students at Liverpool Street Elementary School:

As stated in my previous letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Liverpool Street Elementary School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of Liverpool Street Elementary School.

Date: Thursday, November 29, 2018
Time: 6:30 PM
Location: Liverpool Street Elementary School
50 Liverpool Street
Fredericton, NB, E3B 4V4

An opportunity for parents and stakeholders to present ideas on the sustainability of the school was given however; no requests to present were submitted. As a result, an opportunity will be given for questions to be asked during the scheduled meeting. An agenda will be available on Monday, November 26, 2018, and will be posted to the ASD-W Sustainability Study website. Alternatively, staff from Liverpool Street Elementary School can make the agenda available to you.

Other opportunities to provide feedback are also available, with details on our website following the sustainability study links for Liverpool Street Elementary School. Relevant documentation is also posted on this site.

We hope you will join us at the second meeting!

Sincerely,

Catherine Blaney
Acting Superintendent
Anglophone West School District
