Grades: K-5

Built: 1966

Functional Capacity Data	Student Enrollment	Number of Classrooms	Classrooms In Use	School Capacity	Capacity Rating
based on 24 students per class	188	11	11	264	71.2%

### School Enrollment Trends 1999 to Present

#### Physical Description:

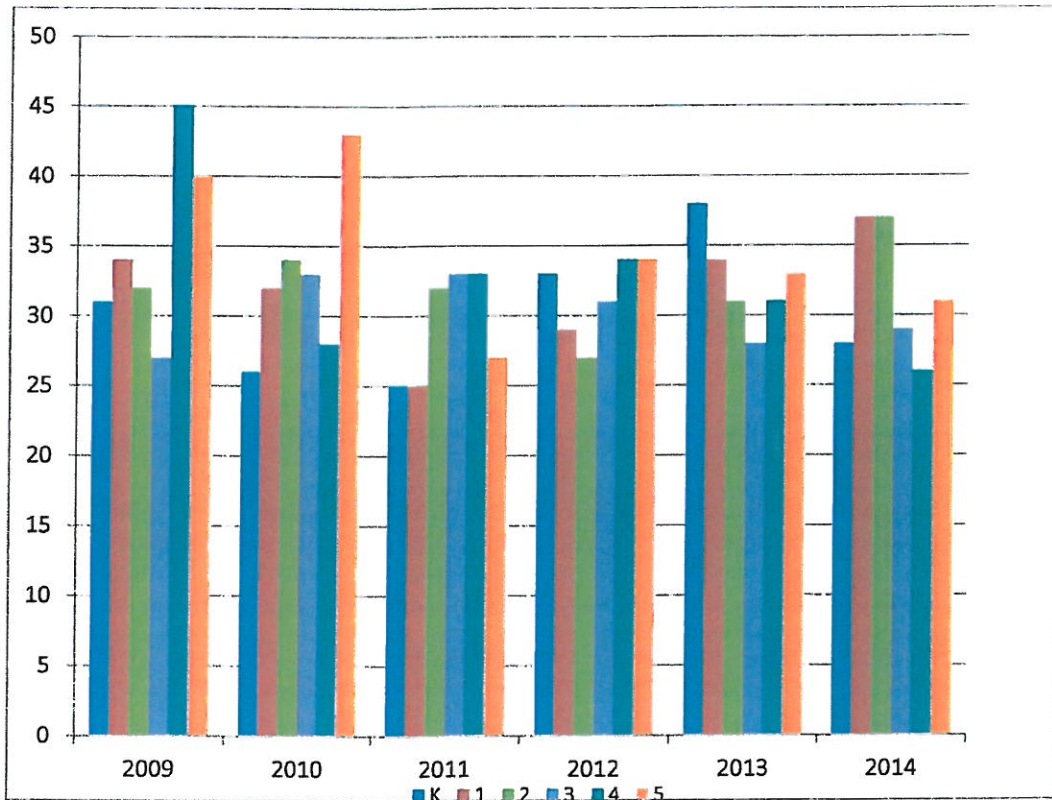

- Harvey Elementary School is a two-storey wooden framed structure built in 1966.
- Owned by the Province of New Brunswick.
- A modular classroom is also in use.
- The school has no sprinkler system, no cafeteria or regulation size gymnasium.
- Bottled water has been provided at the school for the past eleven years due to high levels of arsenic recorded in the well water system.
- Roof #'s 2, 3, and 4 have been replaced, July 2011.
- The school is 1,958 square meters.
- Land ownership around the school is municipal and residential.
- There is room to expand and the neighborhood is appropriate to maintain a school facility for years to come.
- There are no other environmental concerns.
