School Enrollment Trends 1999 to Present

Physical Description:

- Harvey High School is a two-storey steel framed structure built in 1980.
- Owned by the Province of New Brunswick.
- The school houses a joint branch of the York Regional Library.
- Adequate storage is a concern.
- Replaced the existing 35 heat pumps and associated controls, July 2013.
- Replaced roof # 3 (July 2011) and roof # 2 (August 2012).
- The school is 5,287 square meters.
- Land ownership around the school is residential.
- There is room to expand and the neighborhood is appropriate to maintain a school facility for years to come.
- There are no environmental concerns.
