December 17, 2015

Dear Parents/Guardians of Nackawic Elementary School, Nackawic Middle School and Nackawic High School,

As stated in my May and September, 2015, letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of the three Nackawic schools, as a cluster, under the process of Provincial Policy 409: Multi-Year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Unfortunately, the second public meeting that was scheduled for Tuesday, December 15, 2015, was cancelled due to poor weather. We have now rescheduled this meeting.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of the Nackawic schools:

Date: Thursday, January 7, 2016
Time: 6:30 PM
Location: Nackawic Elementary School
110 McNair Drive
Nackawic, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the schools. An agenda for the meeting will be posted to the Sustainability Study website in advance of the meeting and be available as a hard copy that night.

Should this meeting need to be cancelled for any reason, it would be rescheduled for Thursday, January 14, 2016.

Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will be able to attend.

Best wishes for a Merry Christmas and a wonderful holiday season.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
