Dear Minister Rousselle:

I am writing to inform you that the District Education Council for Anglophone West School District met on March 19, 2015, to consider all required criteria pertaining to the sustainability of the Stanley School Complex under Provincial Policy 409: Multi-year School Infrastructure Planning. The study was launched on October 23, 2014, and has followed the guidelines as outlined in Policy 409.

Following the public presentation of the enclosed executive summary, the following motion was presented:

“Move to consolidate the Stanley Elementary School and Stanley High School as one school with one administration.”

Upon conclusion of all discussion, the motion was passed.

We acknowledge the fact that Section 6.6 of Policy 409 requires approval of the Minister for any closure of a school, as recommended by a District Education Council. In this instance, the DEC wishes to merge two schools (Stanley Elementary School and Stanley High School), that currently operate in one building, together as one school that will operate as a K-12 setting. In compliance with Policy 409, we ask for you to review our processes and confirm that our direction is acceptable with your administration.

Enclosed, please find the details of our Policy 409 process. If you require any additional information, please feel free to contact Superintendent David McTimoney or me.

Sincerely,

Mark Noël
Chair, District Education Council
Anglophone West School District
