

Anglophone West School District
Summary Sheet
Department of Education and Early Childhood Development
Policies to be Signed-Off by Volunteers

Policy 701: Policy for the Protection of Pupils

Policy 701 is intended to protect pupils from non-professional conduct by adults to which pupils may be exposed by virtue of being pupils, including physical, sexual, and emotional abuse and discrimination; ensure that adults in the public education system understand the magnitude of the responsibility conferred upon them when parents and communities entrust their children to the public education system and eliminate non-professional conduct through the defining of acceptable standards of behaviour, prevention and effective intervention.

Full policy can be reviewed at <http://web1.nbed.nb.ca/sites/ASD-W/HR/Policies/Forms/AllItems.aspx>
Required Online 701 Questionnaire is at <http://701.nbed.nb.ca>

Policy 702: Tobacco Free Schools

Policy 702 is to provide tobacco-free learning environments for public school students and to assist students in making healthy choices.

Full policy can be reviewed at <http://web1.nbed.nb.ca/sites/ASD-W/HR/Policies/Forms/AllItems.aspx>

Policy 703: Positive Learning and Working Environment

Policy 703 provides a framework for the Department of Education, school districts and schools to create positive learning and working environments in the public education system by establishing a process for fostering positive learning and working environments; setting standards for behaviour and discipline and identifying the responsibilities of all partners in the school system; and providing an overview of expected student behaviour in the Provincial Student Code of Conduct.
