Important Notes:

1. Bring your bathing suits, towels, sweats (shorts/pants and t-shirts), and a change of clothing for pool and other activities. Don't forget that it cools down at night.
2. **Do consider bringing bug spray and a headlamp!**
3. Safe Grad is to be a great time without drugs, alcohol, or other illegal substances. If you can't stay sober for one last school event with your fellow grads, don't attend.
4. Participation is key! Your safe grad experience will be as good as you want it to be...just get involved!
5. If you have special dietary concerns, you should probably bring your own food. Food provided will consist of hamburgers, sausage, potato salad, cole slaw, water, and pop. There will also be marshmallows around the fire.
