Public Health

This month is immunization awareness month. We remember that immunization is the best way to protect our health from diseases that could cause serious complications and harm. We thank those who get all of their vaccines to keep our students safe and our school healthy.

Cross Country

Congratulations to the following runners who competed in the WHS Cross Country Meet after school yesterday: Lilly McLaughlin, Emma Saunders, Christiana Wittmeier, Clareta Livingstone, Vincent Lemieux, Ethan Porter, Alexander Stipkovich, and Keegan Page. Thank you very much to all the student and staff volunteers who helped.

There will be cross country practice after school today and tomorrow.

Tech Club

Tech Club will be starting up again today, anyone interested in coding, robotics, or 3D printing is welcome to come to Mrs. Campbell's room at lunch A-209. All skill levels welcome
