Children born in **2007** will start school in **September 2012**. You can register at your community school during regular school hours.

### **Evening Registration: Wednesday, October 12, 2011**

If you are unable to attend the daytime registration, please come to the evening registration session at the School District 8 building located at 490 Woodward Ave. between 4 pm - 8 p.m.

**Note:** You can save time by filling out the school entry permit and the school information form before you visit the school. Print both forms, complete them, and bring them to the school along with your child's documentation.

There are a number of pre-kindergarten events that have been planned for you and your child in the year before kindergarten. You are encouraged to participate in all of the planned activities, as the programming has been designed to ensure your child has a pleasant transition from home to school. As each event draws near you will receive reminders or invitations from your community school.

We look forward to meeting with you and your child as we work together toward a successful entry into kindergarten!
