    - i. Can be challenging as parents working all day and children at sitter or daycares. Difficult to manage time – all very tired.
    - ii. Parents were appreciative of the recordings made by all teachers so they could work away at the work when there was time.
    - iii. All teachers provided home learning packages with online recordings and/or recordings of lessons.
    - iv. Parents were happy as well that teachers were scheduling times in the evenings so children could see their friends.
  - b. We have 10% of our student population attending in person learning every day. (33 students).
  - c. Kathy apologized that since the January 7<sup>th</sup> was not a PL day to review SIP, no work was done on this. The 2 goals we have in our SIP will remain as they are about co-teaching. And viewing lessons of other teachers. This is very limited due to Covid-19.
4. Once around the table –
  - a. Noha asked about Rapid test kits for families. These will not be provided through schools at this time.
  - b. Will there be a vaccination clinic at the school again? Kathy will check on this. (February 8<sup>th</sup>)
