We attempt to have all pre-kindergarten children registered this week so we may inform you of all the Pre-Kindergarten readiness events we offer at the school to prepare your child for kindergarten. In order to register your child, you will need to bring your child's Medicare card, birth certificate and immunization records.

Thank you to staff members for fundraising for the terrific sensory walk paths that now adorn our floors! This is only one of the three paths that have been added for our CHS students.
