

## Double the Die Chart

- Each player chooses a color token (tiles, cubes, chips).
- Players toss die. Highest number goes first.

### How to Play

- Toss die.
- Double the amount.
- Find the number on the chart.
- Place one token on the number.
- If number has a token on it, lose a turn.
- Count tokens to see who wins.

4	6	10	12	8
2	4	12	10	2
12	2	10	6	8
6	4	6	4	2
10	12	8	12	10
8	6	2	4	6
