Please make your way through the <a href="#">Isolation Survival Guide</a> attached, and have some fun! Tryout some new recipes you may find, teach yourself some different skills around the house and visit some of the suggested websites to ensure we're staying mentally fit as well as physically fit. As always, please don't hesitate to reach out to me if you just feel the need to chat with someone who cares! Keep Smiling! Sandra.harrington@nbed.nb.ca</p>		<p>Please review the <a href="#">Raider Strong Active Lifestyle Program</a>. Exercise at least 30 min a day and record all activity in your tracking sheet. Track all your activity and get as many minutes, steps and stars as you possibly can. If you cannot record steps, just use time. If you don't have a heart rate function on your device, we will have a lesson on measuring heart rate later in this program. Continue to think about a regular fitness plan that you can do every day. I will be sending more information and details in the weeks to come. Follow me on twitter <a href="#">@RVrathletics</a> for messages and videos. Stay tuned, stay healthy and Raider Strong!</p>
