

Jump Rope For Heart

Heart & Stroke Foundation fund raiser was a huge success thanks to the support of Saint Rose School families. Our Jump Rope For Heart event May 30th with a rain date of June 3rd.

Heat Alert and Response System

Extreme heat poses a major health risk to the public, especially vulnerable populations like older adults, young children, and the homeless, as well as those with chronic health conditions and those using certain medications.

Further to a federal, provincial and municipal Heat Alert and Response System (HARS) pilot project carried out in Fredericton and three other Canadian communities in the summer of 2010, the Office of the Chief Medical Officer of Health for New Brunswick (Health Protection Branch) will expand to other larger urban centers across the Province in 2016, with the intent to eventually move the system into all communities in 2017.

The heat alert is based on the Humidex value. Alerts are issued to agencies or organizations that look after vulnerable populations. A variety of actions can be taken to reduce heat stress. The New Brunswick Public Health webpage on HARS is currently under construction and will be available soon. Information on heat stress and illness can also be found at <http://www.hc-sc.gc.ca/ewh-semt/pubs/climat/index-eng.php#extreme> Douglas Walker, Regional Director, Health Protection

May Care Assembly Winners

May's theme was Leadership and Teaming

Kindergarten –Layla F, Kyla S
Grade 1 – Cohen K, Laine W
Grade 2 – Zoey J, Easton W
Grade 3 – Jackson E, Luke M
Grade 4 – Micky M
Grade 5 – Ian D, Nate J

YMCA Summer Camps

“Summer is a time for kids to be kids! It’s a chance to play, to run and to be free from the busy school schedule. Time spent being physically active and social is more important than ever before. That’s why the YMCA offers day camps, so that each child can reach their full potential. At our location at St. Mark’s Church, we offer weekly specialty camps such as “Rock Star Camp”, “Animal Planet” and “Retro Y Arcade Camp”, as well as our Junior/Senior Adventure camps.

Register now to reserve your spot at: www.saintjohny.com or call Katrina Estey at 646-2111 for details.”

**Have a safe and fun summer while
exploring and learning!**

Science Invention Convention

Our first annual Science Invention Convention was a roaring success. Students shared their inventions and viewed the creative ideas of others. Grade four and grade five formally presented their projects to two adults separately. The winners of the presentations are as follows:

1st place - Ian D,

2nd place - Haleema N

3rd place - Tristan M

Honourable Mentions; Chloe P, Hannah M/Daria S

Each winning student received a \$15.00 gift certificate to Little Shop of Science.

We will make some changes to next year's event based on our learnings from our pilot Science Invention Convention. Thank you to families for getting your children excited about science!

*****Meet the Teacher/PSSC Elections – Wednesday, August 31st *****

We will be having our Meet the Teacher and PSSC Elections BEFORE school starts. The drop-off then assembly in the gym will take place at 6:00 pm. **This will give families an opportunity to drop off school supplies, learn who your child's teacher is going to be, and learn about classroom routines and expectations.** Our intent with this change is to reduce student anxiety associated with the first day of school. It will also alleviate children carrying heavy school bags with supplies on the first day of school.

Congratulations Mrs. Murphy!

Staff and students would like to congratulate Mrs. Murphy on her retirement as of June 28th. Mrs. Murphy has worked at SRS as a French teacher and in more recent years as a primary teacher. Parents and community members are invited to wish Mrs. Murphy well at her Retirement Tea on Wednesday, June 8th from 3:30-5:30 pm. Students will have a send-off to Mrs. Murphy on the last day of school. We wish Mrs. Murphy the healthiest and happiest retirement!

Regional Heritage Fair Winners

Grade 5 Honourable Mention – Ian D

Grade 5 Second Place – Izzy P

Grade 4 Honourable Mention – Jersey G

New Brunswick Historical Places Award – Haleema N (Haleema's Loyalist House project will be on display at the Loyalist House all summer.)

Congratulations to all four SRS participants!

School supply lists will be included with the June Report Cards on June 24th. There is a reminder on the lists regarding our Scent Free Policy. Scented; hand sanitizers, creams, markers etc. are not permitted at school. We have students and staff with allergies which are triggered by scents.
