# **Bayside Middle School**

### School Improvement Plan 2020-2023

#### **Mission Statement:**

The mission of Bayside Middle School is for all students to follow the principles of STOMP (Success, Teamwork, Ownership, Motivation, and Preparedness) in their daily lives and in the future.

#### **Vision Statement**

The vision of Bayside Middle School is to provide a safe and inclusive learning environment, a diverse curriculum and the development of overall student well-being.

#### **School Profile**

Bayside Middle School consists of grades 6, 7, and 8. We have a student population of 598 students and a staff of 36.3 full-time teachers. We have specialists in the areas of music, art, technology, and physical education. The school has a support team of twenty-three full-time teacher assistants, a school intervention worker, one full-time administrative assistant, one part-time administrative assistant (12 hour per week) and a part-time librarian (3 days per week). We have many volunteers who help with coaching, transporting students, fundraising, offering presentations, and serving as guest speakers. (This has been curtailed due Covid-19 restrictions- September 2020).

The student population is diverse and is drawn from the general East Saint John and outlying areas. Approximately 500 students are eligible for busing to and from school. However, many families have opted out and are driving children to school. Although in bubbles, classes are inclusive, enabling the school to serve significant special needs population integrated into age appropriate classes.

Our Parent School Committee (PSSC) currently consists of 9 members. This elected body as well as school administration, a teacher representative, and a DEC representative, works cooperatively with the school and supports and encourage us in our endeavors.

#### Points of Pride:

- Please note that many of these items have been impacted by Covid-19 Restrictions
- STOMP Initiatives (PBIS)
- School Bands and Choir
- Drama Productions/Fine Arts Nights
- Broad-Based Technology
   Lab

- Leadership/Student Jobs
- Recycling Program
- (GSA)
- Enrichment Activities and Assemblies
- Writers in Schools workshop

- Staff Exercise Centre
- Maker Space
- Science Fair

٠

Exceptional Athletes Progam

Two Computer Labs

- Heritage Fair
- Charitable Donations: Bayside Middle School is proud to be associated with the following charitable causes: Children's Wish Foundation, Romero House, N.B. Police Association, East Saint John Food Bank, Animal Rescue League, Empty Stocking Fund, Coverdale Centre, St. Vincent de Paul Society.
- Partnerships: Bayside fosters partnerships with Jervis Bay Legion, East Saint John Minor Basketball Association, New Brunswick Music Festival, Community Policing, The Departments of Social Development and Mental Health, TRC, MADD, Horizon Health, Cooke Aquaculture, and Prude Inc.

**<u>Programs</u>**: Bayside Middle School offers both English and Late French Immersion programs, ensuring courses are scheduled in a manner that ensures New Brunswick Instructional Time Guidelines for Grades 6-8 are met.

| <u>16 English Homerooms</u> | 8 French Immersion Homerooms |
|-----------------------------|------------------------------|
| Mathematics                 | Mathematiques                |
| Language Arts               | English Language Arts        |
| Science                     | Sciences naturelles          |
| Social Studies              | Sciences humaines            |
| French                      | Francais (FILA)              |
| Physical Education          | Physical Education           |
| Music                       | Music                        |
| Art                         | Art                          |

- Morning Announcements
- Maker Space

- Renaissance Club
- Fine Arts Nights
- From Me to We
- First Nations Link
- Rainbows
- Cafeteria Helpers

- Volleyball
- Badminton
- Track and Field
- Cheerleading

### Math

#### <u>SMART GOAL #1:</u> 75% of students will reach or exceed expectations on schoolbased formative and summative assessments. Note that these indicators may be adjusted due to school closures March- June, 2020.

| Strategies  | Timeline                            | Responsibility                  | Indicators of  | Progress                            |
|---|-------------------------------------|---------------------------------|--|-------------------------------------|
|   |                                     |                                 | Success  | Tracking                            |
| 1. Promote strong number sense and develop flexibility with numbers.  | January<br>2018-<br>January<br>2021 | Math Teachers,<br>ESS-R, ESS-N, | Curriculum outcomes<br>and word walls will be<br>posted in all math<br>classrooms.   | *insert to be added at a later date |
| 1.1 Model and encourage the daily use of estimation to determine the reasonableness of an answer.   |                                     |                                 | Overall school success<br>rate on individual<br>formative and<br>summative assessments<br>will be maintained or<br>improved upon.          |                                     |
| 1.2 Review, model and<br>encourage the use of mental<br>math strategies in daily<br>classroom activities to<br>develop flexibility with<br>numbers. |                                     |                                 | Learners will be able to<br>use models to explain<br>their mathematical<br>thinking when<br>appropriate. | <ol> <li>Provide appropriate<br/>professional development<br/>opportunities for math<br/>teachers to further develop<br/>and enhance their teaching</li> <li>1 Use of math models for<br/>instructions. Due to Covid-19<br/>restrictions, more<br/>manipulatives will be ordered<br/>to accommodate classroom<br/>bubbles.</li> <li>2 Guided Math strategies</li> <li>3 Continuing "Leaps and<br/>Bounds" providing pre/post<br/>assessments to direct ability<br/>groups in classrooms</li> <li>4 Continue to use Smart<br/>Board math tools to guide<br/>instructions.</li> <li>5 PLC opportunities</li> </ol> | January<br>2018-<br>January<br>2021 | Math teachers,<br>Administrative<br>leaders,<br>ESS-N | Math models will be<br>used in classrooms<br>when appropriate to<br>support instruction.<br>Professional<br>development<br>opportunities for math<br>teachers to further<br>enhance their teaching<br>practices will have taken<br>place. | *Monthly PLCs are<br>scheduled after school. |
|  |                                     |   |   |  |

#### Literacy – Reading

<u>SMART GOAL #2:</u> By June 2020, 90% of our students (at all grade levels) will reach a 3 (Meeting) or 4 (Excelling) in the Reading & Viewing strand of their June Report Card. On the November report card, 106/175 students reached this goal (61%).

| Strategies   | Timeline                                 | Responsibility<br>& Tools   | Indicators of<br>Success  | Progress<br>Tracking |
|--|--|---|---|----------------------|
| <ol> <li>Review previous year's<br/>report card data.<br/>Complete a running<br/>record with anyone who<br/>has a 1 or 2 in reading at<br/>the end of grade 5. (Tier<br/>2 &amp; 3 students)</li> </ol>  | September<br>of each year.               | Classroom teachers<br>with the support of<br>the literacy lead.                         | Teachers will be able to<br>identify students who are<br>working below<br>expectations and begin<br>planning for instruction,<br>based on data. |                      |
| 2. All teachers in grade 6<br>will begin using reading<br>screeners to assess the<br>three levels of<br>comprehension in<br>September and February.  | September<br>and<br>February,<br>yearly. | Teachers, using<br>OCA, White Boxes<br>(ACRAR), and<br>Standards<br>document for texts. | There will be a record of the data.   |                      |
| <ol> <li>All students who are<br/>identified as "1" (working<br/>below) or "2"<br/>(approaching) will be<br/>grouped for small group,<br/>targeted instruction with<br/>texts at their level.</li> </ol> | Early<br>October                         |   | Groups will be set up.<br>Discussions of grouping<br>and regrouping will be<br>included during PLC<br>time.                                     |                      |

#### Literacy – Writing

<u>SMART GOAL #3:</u> By June 2020, 90% of our students (at all grade levels) will reach a 3 (Meeting) or 4 (Excelling) in the Writing & Representing strand of their June Report Card.

| Strategies  | Timeline   | Responsibility            | Indicators of  | Progress<br>Treeking |
|---|--|---------------------------|--|----------------------|
| <ol> <li>Writing samples<br/>(process, demand, pieces<br/>of texts) will be gathered<br/>in September &amp; February<br/>and assessed using the<br/>standards-based grade<br/>level rubrics. Adjusted<br/>students will be assessed<br/>with rubric that matches<br/>their modified goals.</li> </ol> | September,<br>February,<br>and May, at<br>minimum. | Language Arts<br>Teachers | Success<br>Teachers will have a<br>collection of writing<br>samples from each<br>student, to demonstrate<br>achievement based on<br>grade level trait<br>rubrics/writing<br>standards.<br>Teachers will be able to<br>report that at least 90%<br>of students have<br>achieved strong or<br>appropriate on all traits<br>by June.<br>*achievement on traits<br>will be demonstrated<br>overtime, using a<br>collection of writing<br>samples. They may not<br>achieve 3 or 4 on ALL<br>traits on a single piece of<br>writing. | Tracking             |

| 2. | Writing conferences (one-<br>on-one) will occur during<br>LA classes.                      | Literacy Teachers &<br>EST-Rs | Each teacher will be<br>able to share how they<br>confer and the tools they<br>use to document<br>conferences. |  |
|----|--|-------------------------------|--|--|
| 3. | Targeted mini lessons will<br>be planned to address<br>areas of weakness for the<br>class. | Literacy Teachers             | Lesson plans will match<br>areas of difficulty noted<br>from assessments<br>results.                           |  |

#### **Positive Learning Environment**

<u>SMART GOAL #4:</u> To strengthen engagement of families and foster community partnerships. To increase communication and outreach with parents so that they are aware of both academic and social activities at the school.

| Strategies  | Timeline           | Responsibility       | Indicators of                                 | Progress |
|---|--------------------|----------------------|---|----------|
|   |                    |                      | Success                                       | Tracking |
| 1.1 All teachers will create<br>homeroom distribution e-mail<br>lists to communicate<br>assignments, homework or<br>upcoming events.  | Yearly             | All Staff            | Teachers "cc"<br>administrators on<br>emails. |          |
| 1.2 Logged home contacts weekly or monthly as needed.   | Ongoing            | All Staff            | Teachers to document home contact.            |          |
| 1.3 All families will be<br>contacted by homeroom<br>teachers as a means of<br>introduction and will invite<br>parents to share any<br>concerns about their children<br>and to update contact<br>information. | Early<br>September | Homeroom<br>Teachers | Updated information in Power School.          |          |
| 2. Continued use of<br>"Synervoice" to communicate<br>with parents via talkmail and<br>email.   | Ongoing            | Pat Laskey           | Improved Perception<br>Survey Results         |          |

| 3. Monthly newsletters<br>available electronically and<br>in hard copy by request.                                    | Ongoing               | Pat Laskey                             | Improved Perception<br>Survey Results                   |
|---|-----------------------|--|---|
| 4. Increase the use of<br>Twitter, district and school<br>websites by parents.  | Ongoing               | All Staff and District Initiative.     | Parent Feedback   |
| 5.Commitment to use<br>Microsoft Teams to<br>communicate with students<br>and families about<br>assignments.          | September<br>of 2020  | All Teaching Staff                     | Increased Student<br>Engagement On-Line                 |
| 6. Positive Referral notes<br>forwarded to the office for<br>administration to share with<br>Parents                  | September<br>of 2020  | All Staff                              | Increased amounts of<br>these notes being<br>forwarded. |
| 7. Due to Covid-19<br>Restrictions, using Microsoft<br>Teams for Parent-Teacher<br>Conferences and other<br>meetings, | December of 2020.     | Teaching Staff.                        | Collecting data on participation rates.                 |
| 8. Upgrading Bayside's<br>partnership with Horizon<br>Health re: Community<br>Garden.                                 | September<br>of 2020. | School Garden<br>Committee<br>Members. | Increased use of this resource.                         |
| 9. Updating Covid signage<br>as required by Public Health,<br>EECD, or ASDS.  | September of 2020.    | JHSC.                                  |   |

## <u>SMART GOAL #5:</u> To provide a positive learning and working environment that promotes health, safety, and indoor/outdoor physical activity.

| Strategies   | Timeline           | Responsibility | Indicators of<br>Success  | Progress<br>Tracking |
|--|--------------------|----------------|---|----------------------|
| 1. Creating and updating<br>monthly of an<br>operational plan which<br>outlines school<br>policies regarding<br>Covid-19 prevention. | Monthly<br>Updates | JHSC           | 100% compliance from<br>students, staff, and<br>stake holders. Updated<br>plan is posted on the<br>school's website and<br>sent to staff with new<br>information highlighted. |                      |
| 2. Daily Brain Breaks<br>built into lesson plans.  | Daily              | All Teachers   | Increased use of brain<br>breaks (physical,<br>mindfulness or mental<br>breaks)   |                      |
| 3. Teachers taking students<br>for walks in the<br>neighborhood and<br>participating in walking<br>challenges.                       | Ongoing            | All Teachers   | 100% participation of students and staff.   |                      |
| 4. Outdoor gym equipment<br>purchased through grant<br>opportunities of by donation.   | Ongoing            | All Staff      | Increased usage of this equipment daily.  |                      |

| 5. Creation of an outdoor learning space.  | September<br>of 2020.                  | School Garden<br>Committee and<br>Horizon Health. | Increased participation<br>of staff and students<br>utilizing this space.<br>Space reservation<br>system shows this area<br>is being booked and<br>used.   |  |
|--|--|---|--|--|
| 6. Phys. Ed Teachers<br>offering activities which can<br>also be done at home (Snow<br>Shoeing, Yoga, etc.         | Ongoing                                | Mr. Shephard, Mr.<br>Manuel, and Mr.<br>Bacon.    | Increased participation<br>of students in Physical<br>Education.   |  |
| 7. Picnic in the Park twice annually.  | Fall of 2020<br>and Spring<br>of 2021. | Homeroom<br>Teachers                              | All grade 8 classes involved in this activity.   |  |
| 8. Continue a Gay Straight<br>Alliance   | Ongoing                                | Tiffany Sabin                                     | -a GSA will continue to<br>have weekly meetings<br>and plan school wide<br>activities<br>- Alterations will be<br>made to Operational<br>Plan to ensure it<br>continues considering<br>Covid Restrictions. |  |
| 9. Purchasing of or seeking<br>donations for games and<br>materials for each<br>homeroom to enhance lunch<br>hour. | Ongoing                                | Administration.                                   | - Reduced office<br>referrals regarding lunch<br>time behaviors.   |  |
| 10. Making outdoor links to<br>curriculum (Rock Painting,<br>Scavenger Hunts, etc.)                                | Ongoing                                | All Teachers                                      | -Increased amounts of<br>classes being taught<br>outside.  |  |

| 11. Planning curriculum<br>relevant field trips within<br>Operational Plan. (Aquatic<br>Centre, YMCA Field House,<br>Huntsman Museum, etc.).        | Ongoing | All Teachers  | <ul> <li>-Increased classes</li> <li>booking these trips when<br/>allowed to do so.</li> <li>(Orange Phase lifted).</li> <li>-Teachers may see</li> <li>virtual field trip</li> <li>opportunities in the<br/>meantime.</li> </ul> |  |
|---|---------|---|---|--|
| 12. Enhanced role of<br>Wellness Committee to<br>maintain high morale for all<br>staff (Staff Step Challenge,<br>lottos, Treat Trolley, etc.        | Ongoing | Wellness Committee  | -Greater participation rate of staff in planned activities.   |  |
| 13. Creation of safe settings<br>outside of the classroom<br>bubbles for students to go.  | Ongoing | Alison Smith-Lori's<br>Room<br>Michael Creamer-<br>SIW Room<br>EST-Rs- other<br>available spaces. | -Fewer office referrals<br>for students who need to<br>be removed from<br>homeroom bubble.  |  |
| 14. Changing of seating<br>plans frequently to support<br>student requests and best<br>learning groups. (When<br>permitted by Operational<br>Plan.) | Ongoing | All Teachers  | -Fewer behavior<br>incidents and improved<br>academic achievement<br>in each bubble.  |  |
| 15. Debriefing with students<br>after a difficult time (student<br>breakdown, hold & secure,<br>lockdown drill, etc.)                               | Ongoing | All Staff   | -Fewer reported cases<br>of stress and anxiety<br>relating to these events.   |  |
| 16. Creating opportunities to have formal and informal conversations with students  | Ongoing | All Teachers  | -Fewer behavior<br>incidents and improved<br>academic success.  |  |

| to get to know interests, |  |  |
