

THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Viking families! As I am sure you have all heard, last week's East-West Challenge at TD Station was another massive success. The building was alive all week long as the student athletic directors ran auctions, organized pep rallies, and worked with our SRC to unveil the newest member of the Harbour View family, Victor the Viking! We packed our section at TD Station and cheered our 3 basketball teams on their way to successful results. The Unified basketball team continued to display its growth as the players debuted their brand new jerseys, and both of our varsity teams claimed victory in convincing fashion. A spirited night and fitting send off for our graduating players. Well done to all!

Mr. McDade did have a friendly bet with Mrs. Carhart of Simonds High School that the principal of the school who scored the least number of total points would wear the other school's jersey for a day. Victor the Viking will be making a special delivery to Mrs. Carhart this week!

A quick note regarding student schedules. The window for course changes has closed and there will be no further course changes for this semester.
