

THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Viking families! Our Student Council has a big week planned with theme days, a dance, a haunted house, pumpkin carving and loads of other activities. Safe to say that the SRC has something fun for everyone. For the Haunted House we will be running a canteen and are asking grad parents for donated items to sell. Anything brought forward is greatly appreciated.

It has been announced the entire province will have grade 9 students take part in Take Your Kids To Work Day on November 2nd. We will be sending information specific to the day to our grade 9 families later this week.

Chartwell's has been back in the building bringing our cafeteria and its equipment back up to speed. There were some delays due to power supply issues, but they plan to be open for business on October 31st.

Attached to this newsletter is information for our parent community regarding yearbook orders. Please be sure to check it out!

Stay tuned for info on the projects these grants initiate.
