

THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Viking families! We all hope that you enjoyed the long weekend and had a chance to be with the people you are thankful for. We want all our families to know that as a staff we were extremely thankful for, and proud of, how our students represented themselves at the East-West football game last Thursday evening under the lights at UNBSJ. It was an incredible display of spirit and sportsmanship both on and off the field and our student leaders went above and beyond to set the tone. Well done to all on a great night for Harbour View High School.

I am happy to report that this year HVHS has been provided with a French Language Monitor named Camille Keeney. Camille is from Sherbrooke in Quebec and was hired by a national program called “Odyssee”. She will be working with students in French classes under the supervision of their teachers. Her task is to prepare fun and educational activities for the students and to teach them about Quebec’s culture. She will also host a French club on Tuesdays at lunch time where all the students at HVHS are invited to play board games and listen to Francophone music all while speaking French. A great resource that we encourage you to take advantage of.

Please be sure to check out both the ASD-S Healthy Learners Nurses and NBTAP newsletters that are attached to this communication.
