

International Students

Harbour View hosts more international students through AEI (Atlantic Education International) than any other school in our district. This is thanks to families, individuals, and community members who welcome these students into their homes. Some students stay for a 6-week period, while most stay for a full semester or a school year. Attached is an information sheet about the program. Homestays are provided financial assistance throughout the students' stay. If you have any questions about the program, you can reach out via the contact information provided on the pamphlet, or by contacting the school office. [International Student Homestays.pdf](#)

Student Schedules – 2019/2020

On Monday, students will receive their tentative schedules for next school year. All homerooms have been assigned a time next week to complete any necessary course changes or to fill empty periods which may exist. Our hope is to have schedules for students as complete as possible before they finish this school year.

Shakedown Ranch

In recent years many 'Prom Parties' have been organized at Shakedown Ranch. You may be aware from media sources about concerns regarding these parties. **Parents should be aware that in no way are these organized by or supported by any school.** High School Principals have many concerns about the safety of students who attend these events and would encourage parents to have discussions with your children about how to celebrate high school graduation in a safe manner.

Arts Gala

Our annual Arts Gala featuring our school bands, choirs, and an exhibit by our Photography 120 classes will take place on Wednesday, May 29, 7:00pm.

Extra-curricular Awards Ceremony

Our Awards Ceremony will take place on Tuesday, June 4, 6:00 in the Auditorium. There is a reception in the main hall beginning at 5:30.
