Ski and Snowboard Club

Sunshine Café/Breakfast Program

For the month of November we are looking for donations of **fresh fruit** (apples and bananas) as well as **whole grain bagels** and **light cream cheese**. This food helps to feed our students while at school – and also allows us to send home food with those who may not have the means of purchasing healthy food on their own.

Thank you so much for your support in October – the number of donations exceeded our expectations and were put to good use!
