

Canadian Universities Accepting AP Courses

This list includes universities outside the U.S. that recognize the SAT, SAT Subject Tests, or AP for admission and/or credit or advanced standing. These policies are primarily based on information self-reported by institutions through the International Annual Survey of Colleges (iASC) or their websites.

Policies are subject to change, so please visit the institution's website, and contact their admission office to confirm the most up-to-date information.

Updated: January, 2021

Canadian Universities	Admission	Credit / Placement	Scholarships
