Administration Corner

As the year is winding down I would like to take this opportunity to thank the Seabee community for making me feel so welcome and part of the family. It is an honor to be the principal of the school and I couldn't be more proud of the accomplishments of the team this year. We are fortunate to have a wonderful 'village' of teachers, support staff, students, community and families who come together to support the work that we all do. Those who are returning next year, I wish you all a safe and fun filled summer. For those who are graduating I hope you stay in touch and I look forward to meeting you all at the upcoming Prom and Graduation events. As always, I am only a quick email away throughout the summer! Congratulations on a successful year!
