Pep Rally/School Clean Up

We are looking forward to hosting a School Pep Rally on Thursday, May 19th. The assembly will be filled with celebration, fun and games. Following the Pep Rally we are going to be hosting the “Green Machine” from the City of Saint John. This machine contains all the necessary equipment like rakes and shovels to support a yard/community clean up. Any family members or community members who are free during the day and wanted to stop down to volunteer an hour of their time would also be appreciated! We will be raking, picking up garbage, getting rid of weeds and doing everything we can to make our campus shine for the lovely weather ahead.

Demonstration of Learning Week

In looking ahead to end of June we will be offering the following for students in terms of a schedule. Your support in ensuring your Seabee is present is appreciated!

Monday June 13th

Period 2 AM 9:00 AM

Period 3 PM 1:00 PM

Tuesday June 14th Period 4 AM 9:00 Am

Wednesday June 15th Period 5 AM 9:00AM

Thursday June 16th Period 6 AM 9:00 AM

Friday June 17th makeup day

Honors/High Honors

June 24th is the day that students in grades 9, 10 and 11 will come to collect their home reports. If a Seabee has attained Honors (80-89% average) or High Honors (90% + average) in academic standing a certificate will accompany their home report and they are invited to go to the theatre before leaving to take a photo with the “Academic Excellence” congratulatory display that we will have set up for the day. Academic excellence is a significant achievement and accomplishment- we are proud to recognize and celebrate those students who have met those academic targets.

- On Friday May 20th, during Period 2, there will be a presentation in the theatre by NBCC, The Workroom, Options Outreach and Hire Potential for interested students in Grade 11 or 12. Learn about NBCC programs, application procedures, campus information and more. The Workroom, Options Outreach and Hire Potential will also provide information on how they can assist with those moving into post-secondary or the workplace, including student loans (and Canada Study Grants), resumes, cover letters, interview skills, job searches, networking, summer jobs and more.

If you are interested in this presentation, please seek permission from your P2 teacher and sign up outside the Guidance Office before end of day Wednesday.

NBCC Saint John Campus Tour

On June 2, NBCC Saint John is hosting a faculty fair to show case various programs across their campuses. This is a great opportunity to meet instructors/faculty and learn about the different programs NBCC has to offer. This is an opportunity for Grade 11 & 12 students.

Students will travel by bus leaving at noon and returning by approximately 2:30pm. Lunch will be provided at NBCC Saint John. Permission slips can be picked up outside the Guidance Office and we will operate on a first come first serve basis, as there are 40 spots available. Students must have permission from parent/guardian as well as their P4 and P5 teacher as all their work must be up to date in those classes. The first 40 students to return the permission slips to Guidance will be able to attend.
