### From Mrs. Carhart

Last week during homeroom we handed out schedules to students who are currently in grades 9-11. Our guidance department will be offering course changes daily for the last few weeks of school. This will allow us to reduce the amount of changes necessary in the fall and at the same time better plan for courses that our students would like to have. Doing so will facilitate increased student voice and engagement in what we offer.

We have had a successful school clean up and now move to the last few finishing touches with weeding, sweeping and mowing. It has been a team effort to get us ready for graduation and we are grateful to our students for their efforts to make our campus shine! We continue to work to keep students out of the woods to maintain a safe environment. It has been very kind of our families to be so supportive of our efforts- it is appreciated!

Demonstration of Learning and Assessment week starts June 12th. School busses run per normal that week. Students are not required to stay on campus once their assessment is complete. The assessment schedule is as follows:

**Monday, June 12th**- Period 1 and 2 Assessments (9am and 1pm)

**Tuesday, June 13th**- Period 3 Assessments (9am)

**Wednesday, June 14th**- Period 4 Assessments (9am)

**Thursday, June 15th**- Period 5 Assessments (9am)

**Friday, June 16th**- Make up/Catch up Day

Mrs. Carhart

### Important Dates

- June 12th – 16th Demonstration of Learning Week
- June 19th – 23rd Learning Outcomes Course Recovery week. \*\*with arrangements through the teacher\*\*
- June 19th Prom 7pm
- June 21st Graduation in the courtyard (rain day June 22nd)
- June 23rd Pick up home reports
  - Grades 9-11 students who attained Honors/High Honors are invited to go to the theatre to take a photo with the Congratulations banner. Families are welcome to come in that morning too. We don't do a ceremony for second semester so it is a drop in as you wish event.
