### From Mrs. Carhart

Looking to Monday we are anticipating the arrival of a new Acting Vice Principal, Stephanie Chaisson. Stephanie is coming to us from Sussex Regional High School with many years of experience at the High School level. Over the coming weeks we will be working as an administration team to determine new roles and responsibilities. In all likelihood we will be re-visiting how we divide up the students and re-assigning VPs to new clusters of students. Once we have completed this we will communicate all of that to ensure you all have contact information as needed. Please join me in welcoming Stephanie to our Seabee family!

The Spring brings beautiful weather and allows our campus to start to shine. As we look to the sunny days we are in the midst of planning our annual Spring clean up in partnership with the City of Saint John. We would welcome any volunteers who may have some time to help us on May 31st 9am-2pm if you'd like to pencil us in.

Mrs. Carhart
