From Mrs. Carhart

As a school we have established an anti-racism group who have begun the work to improve racism in our school and community. In the coming weeks we will be hosting a panel discussion for students to be part of to have their voice, provide suggestions and co-create plans with faculty support. Additionally this group is taking a deep dive in exploring the literature we use, expanding our course offerings for semester two and hosting lunch drop in sessions to keep the conversation moving forward. The work that this committee is doing with the support of our school/students is admirable and I would encourage you all to take opportunities at home to keep the conversation going.

Important Dates

GSA

Genders & Sexualities Alliances, or GSAs for short, are student-run organizations that unite LGBTQ+ and allied youth to build community.

Simonds' GSA meets every Wednesday at lunch in C201 for a safe space. We also have a Teams page that posts about LGBTQ+ friendly events around school and Saint John.

For more information, please feel free to email Ms. Santori: Caitlin.santori@nbed.nb.ca

November 9th: Post-Secondary Fair. Grade 11&12 students will be bused to the HMCS Brunswicker in the morning for a chance to speak in-person to representatives from 38 Atlantic post-secondary institutions. Ask your student what they found out for their post-high school plan!

Can you help us?

We are fundraising for a new projection system for our theatre.

We are selling ADL cheese and all monies raised will go towards the \$9000 expense.

Together we are hoping to raise half of the necessary funds through this fundraiser.

Thank you in advance for helping us make it successful.
