WEEKLY NEWSLETTER

November 4th, 2022

From Mrs. Carhart

As the first quarter of the year is coming to an end it is time to reflect on the year we have had to date. It has been so filled with moments to celebrate, teamwork, kindness and school spirit! Congratulations to our community for wrapping around our school and supporting us in all we do.

Being part of the community and finding ways to give back is a large part of the culture we want for our school. A shout out to Mitsubishi for creating a venue for our Boys Hockey Team, SRC and Essential Skills students to give back and lead. The community Haunted House was a success and the screams and smiles were worth every minute of the planning and collaboration.

Valuing Diversity

At Simonds, we are working to provide more and more opportunities for anti-racism education in our school and community. On Thursday, November 8th, we will be hosting a student panel discussion to develop ideas and strategies to move forward in this effort. Any student who is interested in participating in this discussion can sign up in the office!

Wellness Wednesday

Once a month offer our students an activity that is centered around something they would like to learn more about, participate in, or just have fun with to be well! October was our first Wellness Wednesday, and with over 40 activities to choose from, it was a tremendous success! We hope you had the opportunity to check out the pictures on our social media accounts as well!
