- Monday-
- Tuesday-
- Wednesday-
- Thursday-
- Friday- No school for students/Professional Learning Day for Staff

Please make sure to give us a follow @Simonds_HS on Twitter!

Did you know?

SHS offers a full culinary tech program taught by Mrs. Robichaud? In this program they learn the art of cooking, the rules for being safe in the kitchen and all aspects of food safety while having fun and trying new foods! Its an incredible opportunity for students to diversify their High School experience.

SHS is starting a choir! If you know you have a talented singer in your house, or an aspiring singer make sure they go to practice or connect with Mrs. Eckstone or Ms. Keating!

Check out our online cashless system regularly for new items: <https://asd-s.schoolcashionline.com/>

Academic Excellence

It is a significant accomplishment for students who achieve honors and high honors. We are proud to let you know that we will be recognizing those students who have met the target of honors or high honors at both the end of semester one and two. Students who achieve an average of 80%-90% will be recognized at the Honors ceremony and those with an average of 90% and above will be recognized at the High Honors ceremony. More information about dates and times to come soon.

Athletic Corner

At SHS we do have an student athlete policy that we follow to support our student athletes. This policy ensures that all our student athletes are always meeting with academic success while representing our school. We are proud of our athletes and the work they do to ensure they meet the targets in the policy.
