### **PowerSchool**

The Department of Education and Early Childhood Development (EECD) announced the Bring Your Own Device program last year for high schools across the province. Students are asked to bring their own devices to school for learning as part of a shift toward a more personalized, collaborative and tech-based learning model. There is funding support available through the parent portal or by calling 1-833-901-1963 or [eecdrts-edperae@gnb.ca](mailto:eecdrts-edperae@gnb.ca)

### **Yearbooks**

Yearbooks are available for purchase online through our online system. We encourage you to access this link to purchase your yearbook now in advance. [SchoolCashOnline.com: Welcome](http://SchoolCashOnline.com: Welcome)

### **Attendance**

We are working hard as a school this year to improve student attendance, particularly at the homeroom period. Your support at home in encouraging the importance of this time is appreciated. We are working to build a sense of homeroom community and starting our days off as a 'family'. Having everyone present helps us help our students be set for success.

## **Sexual Health Nurse Practitioner**

Did you know that we have access to our own Nurse Practitioner? Every Wednesday from 8:30-10:30am. Confidential appointments are available through text 651-9260 or call 658-3998
