Celebrate

As a staff we are so proud of the work that our school and school community took on to help educate us on the subject of Truth and Reconciliation Day. Ms. Wilson and her Essential Skills group made a stunning mural in the school, Mrs. Comeau worked with the GSA and SRC to create our new crosswalk out front of the school. All of these initiatives demonstrate our commitment to collaboration, building our community and learning together.

Cafeteria

Our cafeteria is open for business daily, students are welcome to and encouraged to enjoy the facility at noon hour.

Attendance

As a school staff we are committed to engaging with our students and school community. We want to extend to you all a reminder that we are also here to help and support you with any questions you have or to provide information you may need.

We remain committed to having our students here daily and expect them to be attending homeroom to start our day. We are rolling out an incentive for attending homeroom very soon (October 11th is week one)- every student who attends their homeroom for 5 periods will go in a draw every Friday. One winner per homeroom every Friday. Help us help increase student success by having your Seabee attend homeroom.
