### PSSC

Are you looking to get involved in our school and supporting the policies and growth? We are looking for anyone interested in joining our Parent School Support Committee. ### Covid-19 Corner

As we start up another school year we remind our community of a few important pieces of information:

- Students are expected to wear their masks when in common areas.
- Students should be bringing two masks each day.
- Students are encouraged to bring a refillable water bottle to school each day.
- The school is closed to visitors, though we welcome you to call in advance to make an appointment to stop in anytime 😊.
- At this time we are not able to welcome spectators to indoor sports/activities.

Thank you in advance for continuing to support our school community on this journey. The school continues to be full of life and opportunity with these small adjustments.
