Did you know?

SHS has a student support center and a learning commons? Both are beautiful spaces that students can go to complete work, get extra help or work quietly during the day.

SHS is collecting personal care items in support of the SJPD drive to create a Holiday in a Box for those less fortunate. We are looking for toiletries, gift cards, mittens, socks etc. those are being collected in Homeroom until December 17th.

Check out our online cashless system regularly for new items that are all in stock! : <https://asds.schoolcashionline.com/>

Academic Excellence

We are looking at semester 2 and the opportunity to expand and adjust some of our course offerings. Though this will result in some changes to some student schedules it is in an effort to provide more diversity in options. Please encourage your Seabee to connect with an administrator or guidance to explore any of these new options! In the coming weeks we will also be able provide families with a full list of expanded Advanced Placement courses that SHS will be offering. Stay tuned for more information soon.

Grade 12 news

Next week we will be posting information in our grade 12 MS Teams channel about end of year dates, gown paperwork and fees that we would ask for your support in helping encourage your grade 12 Seabee to return to us promptly. Once it is posted there it will also be sent home to all grade 12 families for their reference. It is hard to believe that it is time to be thinking about end of year but the time is upon us!
