### From Mrs. Carhart

This week we were fortunate enough to send delegates and staff to the UNESCO conference in Toronto. Simonds High School was well represented with Ms. Young, Ms. Miller, Ms. Marr accompanying Maggie Baker, Charlotte Vautour, Josephine de Lavenne and Chioma Ezeonyejaku. The theme this year was Learning for a Sustainable Future. We are looking forward to hearing all about the experience and what they learned when they get home! Congratulations to these student leaders for taking the opportunity to represent our school and community.

Looking forward to May, we will once again be hosting our full-school community clean up in an effort to get ready for the pomp and circumstance that comes with the end-of-year celebrations. If you could save the date, May 29th, and help spread the word we would appreciate as many folks as possible this day helping us to clean up!

Mrs. Carhart
