From Mrs. Carhart

With three short instructional days this week the time has gone by in a blink. These shorter weeks are upon us as we move into the Spring. I always find the last couple of months go by so fast- so important to make sure that all our Seabees are in class at school every day to maximize their learning as we look towards the last day of this semester- June 9th.

With the end of another school year upon us comes the end of an era. Our Mr. Terry Langille will be retiring after 30+ years of service, mostly in administration at SHS. While his SHS family is excited for him to be able to enjoy the time with his family we are absolutely going to miss him terribly. I have personally had the great honor and privilege to have been able to learn from him these past two years as he has supported me, guided me and encouraged me. Something that seems to come naturally to him as he has done for so many over his career. Please join me in taking a moment over the next couple of months to congratulate Terry on his outstanding contribution to education, administration and Simonds High School!

Mrs. Carhart
