### From Mrs. Carhart

Honouring our diversity and black culture at SHS: Local Nigerian-Canadian artist and owner of Art by Dangana, Alheri Bingi, offered to collaborate with schools and provide an opportunity for all to share African culture and celebrate our diversity. As a school, we took advantage of this opportunity and have purchased a piece of art from her. Keep an eye open in D lobby for your chance to see it prominently on display soon!

Our Unified Basketball team season is still in full swing with two more tournaments coming up. Playing sports and being on a team is often something we can take for granted. Unified Basketball provides all students an opportunity to be part of a team, to be included and to experience the joy and team work that comes from playing sport. The smiles are contagious and the spirit fills the school! A huge thank you to Mrs. Kalemkarian for her leadership and dedication to this sport and for providing this opportunity for our school and community!
