From Mrs. Carhart

Graduation season is fast approaching! This week we will meet with the class of 2024 to review everything they need to know about graduation and prom.

I will be sending home the grade 12 handbook with updated dates and information for your reference. Please look for that in a separate email soon.

Mrs. Seeley and her team have been working hard over the past few weeks to prepare for our Roots Fest (formerly known as Multicultural Fair). We are looking for families/students to showcase their culture and traditions with our community. We encourage you all to join us and hope you have saved the date- May 14th! If you are able to volunteer and set up a booth please email janet.seeley@nbed.nb.ca

April 23rd Mrs. Chaisson and I have been given the opportunity to attend the Canadian Association of Principals conference in Toronto for three days. We are very much looking forward to learning more about leadership and anything we can bring back to enhance how we support our school, community and staff.
