From Mrs. Carhart

What a week! The tradition of East West just gets better and better thanks to the leadership of so many of our valuable staff members. Events as large as these are successful because of the countless humans behind the scenes doing all the things necessary to make these events a hit! This year was extra special as we were able to showcase our Unified Basketball team, Varsity Boys and Varsity Girls teams in what was an absolutely magical community night! Nights and events like these create memories that last a lifetime- these are the moments that our students will cherish forever.

Next week we recognize the accomplishments of those students who achieved academic excellence with our Honors/High Honors ceremonies.

Going forward we are gearing up to offer Parent Sessions for course registration as well as student sessions in Homerooms about our new courses and the registration process.

Under the leadership of our Guidance Department and teachers we are focusing our school wide learning on Black History Month- this years theme is Black History IS History.

As always, please don't hesitate to reach out with any questions /concerns/feedback,

Mrs. Carhart
