Important Dates

As we recognize Black History Month, I want to take a moment to express my deepest gratitude to our Black Student Association for their incredible efforts in organizing such a meaningful and engaging recognition of this important month. Their dedication, hard work, and leadership have not only made this possible but have also enriched the education and awareness of our entire school community.

Throughout February, the Black Student Association ensured that Black history, culture, and achievements were recognized and celebrated. From daily educational moments to inspiring events, they have fostered important conversations and created opportunities for learning that will leave a lasting impact. Their commitment to inclusion, representation, and engagement has strengthened our school community, making Simonds High School a place where all voices are heard and valued.

We are so proud of their leadership, passion, and the example they set for our school. Thank you to each and every member of the Black Student Association for your outstanding contributions—not just this month, but every day.

Dear Seabee Community

We'd like to remind everyone that during breaks and lunch, our school bathrooms are not meant to be a hangout spot. We're excited to share that we've created several new lounge areas around campus where students can relax, chat with friends, and enjoy their free time.

After March Break we will be addressing the chronic loitering in an effort to maintain safe washroom facilities.

Thank you in advance for reminding your Seabee to take advantage of the gathering places and spaces we've created in our building.
