Welcome to Semester Two, Seabees!

As we kick off the second semester, we are excited to continue building on the successes of the first half of the school year. A reminder to all Grade 10-12 students: if you require a course change, there will be an opportunity to make adjustments at the start of Semester 2. We will begin with Grade 12 students and organize by last name, calling students to Guidance accordingly. Stay tuned for announcements, and let's make this semester a great one, Seabees!

Celebrating Academic Excellence at Simonds High School

We are thrilled to announce our upcoming AP/Honors/High Honors Ceremony, where we will recognize the outstanding academic achievements of our students. Students who have earned an average of 90% and above will be listed on the High Honor Roll, while those achieving an average of 80% to 89.99% will be listed on the Honor Roll. This event is a wonderful opportunity to celebrate the hard work and dedication of our Seabees. Stay tuned for more details about the ceremony, and congratulations to all our honorees!
