June 2nd, 2023

From Mrs. Carhart

This week we were excited to begin the use of our mobile debit machine. Having this machine available for students, staff and community makes purchasing items one step easier- a tap of a card and you are paid! This will now be available for all items we sell at school daily.

Looking to June 23rd as was done last year, we will recognize those students in grades 9-11 who achieved either honors or high honors standing this semester. In their home report envelopes we will include a certificate of distinction. On June 23rd when students pick up their home reports they are invited to stop in the theatre for a casual drop in photo opportunity with a special congratulations banner! This is open to the public and available for everyone to enjoy until lunchtime Friday, June 23rd.

Demonstration of Learning and Assessment week starts June 12th. School busses run per normal that week. Students are not required to stay on campus once their assessment is complete. The assessment schedule is as follows:

- Monday, June 12th**- Period 1 and 2 Assessments (9am and 1pm)
- Tuesday, June 13th**- Period 3 Assessments (9am)
- Wednesday, June 14th**- Period 4 Assessments (9am)
- Thursday, June 15th**- Period 5 Assessments (9am)
- Friday, June 16th**- Make up/Catch up Day

Mrs. Carhart

Important Dates

- June 6th Grade 12 spaghetti supper
- June 6th Last day to purchase Grade 12 off campus trip tickets.
- June 8th Grade 12 off campus school trip
- June 9th last day for cafeteria services
- June 12th – 16th Demonstration of Learning Week
- June 19th – 23rd Learning Outcomes Course Recovery week. **with arrangements through the teacher**
- June 19th Prom 7pm

 - Grades 9-11 students who attained Honors/High Honors are invited to go to the theatre to take a photo with the Congratulations banner. Families are welcome to come in that morning too. We don't do a ceremony for second semester so it is a drop in as you wish event.

Guidance Corner

The Department of Education and Early Childhood Development (EECD) is offering a free online summer learning program for New Brunswick high school students entering grades 10, 11, or 12 in the upcoming school year and to those who graduate in June 2023.

This program allows students to earn a mark that will be added to their regular school transcript. These are full courses and take a significant amount of time to complete (~4 hours each day).

If students want to improve a mark or get ahead in a course, and they have the time to commit, this might be the right program.

Registration will take place through the school, in the same way as regular online courses. For more information, please see Mrs. Levesque or Mrs. Gordon in Guidance or you may e-mail: distance.learning@nbed.nb.ca

Sports News/Information

Important Dates

From field hockey, to football, to ice hockey to track and field we have done it all! Thank you to our community of volunteers and parents who cheer for us, support us and take care of us. You make it possible for our students to be athletes and leaders every day. The backbone of what we do is possible because of the countless hours of volunteer work you all put in. We look forward to another outstanding year and can't thank you enough for your continued support!
