From Mrs. Carhart

Happy Saint Patrick's Day!

Its been a 'buzzing' week in the Hive and we are all hands on deck gearing up to begin the course registration process for the fall of 2023. We have broken the process down into three weeks so that we can chunk the steps to make it as seamless as possible. At the end of the registration process we will be hosting a parent information session in April to ensure that all families have the opportunity to be fully informed about what their Seabee may have registered for.

Mrs. Gordon has been leading the learning and registration process and has been working diligently to expand our course catalogue so as to provide as many new options for students as possible.

Mrs. Carhart
