From Mrs. Carhart

Graduation gowns have been ordered and our final yearbook count has been sent to the printer. It's hard to imagine that we are at this point of the year already!

As we plan now with the end in mind, we remind our families that AP exam fees, graduation fees, any outstanding student fees, sports fees etc. should be paid up. If families need support with this, please don't hesitate to reach out.

We are monitoring the loitering in washrooms. As a school, it is essential to have washroom spaces that are safe and welcoming for all to use. Loitering is something that our administration is managing, and we appreciate your support in helping us to provide a safe, clean and respectful learning environment in our school.

For students in grades 9-11 we have finished meeting with all of them and have their course selection requests gathered for 2024-2025. If you have questions please reach out anytime. Congratulations to our guidance team for getting us to this point. Tackling this assignment is no small task and we are proud of the work that has been accomplished!

Mrs. Carhart
